Profile

Data Analyst skilled in Python, SQL, and Excel, with experience in data cleaning, modeling, and visualization. Adept at uncovering insights from complex datasets and creating impactful visualizations using tools like Power BI. Successfully completed simulations with Accenture and Tata Consultancy Services, contributing to data-driven business strategies.

Education

Canara College, DEGREE Bachelor of Computer Applications , CGPA: 9.02	2021 – 2024 Mangalore, India
Sri Saraswathi Independent PU College, PUC Percentage: 94.8%	2019 – 2021 Bangalore, India
Sri Saraswathi Vidya Niketana, SSLC Percentage: 88.48%	2018 – 2019 Bangalore, India

Projects

Student Performance Analysis, Aisect Limited Tools: Power BI, Python, Excel, Machine Learning <ul style="list-style-type: none">Conducted exploratory data analysis (EDA) to identify key factors influencing student performance.Applied data preprocessing techniques, handled outliers, and encoded categorical variables.Developed and implemented a linear regression machine learning model to predict student outcomes.Visualized trends and insights using Power BI, providing actionable data-driven findings.	October 2024
GROCEROO, Bringing Market to Your Doorstep! Canara College <ul style="list-style-type: none">Designed and developed an online grocery shopping website with the back-end on MySQL and PHP, and the front-end using HTML, CSS, and JavaScript.Implemented user-friendly features, such as product filtering, shopping cart management, and secure online payments, similar to other e-commerce platforms.	June 2024

Skills

- Frontend: HTML, CSS, JavaScript
- Backend: Python, PHP, Java, R
- Data Visualization: Power BI, Matplotlib, Seaborn
- Data Analysis & Modeling: Data cleaning, Data Transformation, Statistical Analysis, Hypothesis testing, Regression analysis
- Databases: MySQL, DBMS, SQL
- Developer Tools: VS Code, Xampp, Jupyter Notebook
- Soft Skills: Problem-solving, Critical thinking, Adaptability, Collaboration, Communication

Certificates

Data Analytics with Microsoft Power BI – AISECT Limited (July 2024 - October 2024)
Data Visualization with Power BI – Great Learning (August 2024)
7-Days Power BI Micro Course – CoursePre (September 2024)
Java Full Stack Developing – Technologies Global (June 2024 - September 2024)
AI/ML – SystemTron (August 2024 - September 2024)
Introduction to Digital Marketing – Great Learning (September 2023)

Extracurricular Activities

Data Analytics with Microsoft Power BI, AISECT Limited (July 2024 - October 2024) Certified by NASSCOM in collaboration with Accenture <ul style="list-style-type: none">Duration: 2 months of training and internshipTools & Skills: Gained advanced proficiency in Power BI, Python, Machine Learning, and Excel.Key Project: Conducted a comprehensive analysis of student performance, leveraging Power BI for data visualization and Python for machine learning to uncover insights and predictive trends.Achievement: Successfully attained a silver grade in the final assessment, reflecting a strong command of the concepts and tools learned.	July 2024 – October 2024
Accenture North America, Data Analytics and Visualization Job Simulation on Forge <ul style="list-style-type: none">Completed a simulation focused on advising a hypothetical social media client as a Data Analyst at AccentureCleaned, modelled and analyzed 7 datasets to uncover insights into content trends to inform strategic decisions	August 2024

- Prepared a PowerPoint deck and video presentation to communicate key insights for the client and internal stakeholders
- Tata Data Visualisation,**
Empowering Business with Effective Insights Job Simulation on Forage

August 2024
- Completed a simulation involving creating data visualizations for Tata Consultancy Services
 - Prepared questions for a meeting with client senior leadership
 - Created visuals for data analysis to help executives with effective decision making.

- PwC Switzerland Power BI Job Simulation on Forage**

September 2024
- Completed a job simulation where I strengthened my PowerBI skills to better understand clients and their data visualisation needs.
 - Demonstrated expertise in data visualization through the creation of Power BI dashboards that effectively conveyed KPIs, showcasing the ability to respond to client requests with well-designed solutions.
 - Strong communication skills reflected in the concise and informative email communication with engagement partners, delivering valuable insights and actionable suggestions based on data analysis.
 - Leveraged analytical problem-solving skills to examine HR data, particularly focusing on gender-related KPIs, and identified root causes for gender balance issues at the executive management level, highlighting a commitment to data-driven decision-making.

- Tata Consultancy Services, ESG Job Simulation on Forage**

September 2024
- Completed a simulation involving sustainability consulting for Tata Consultancy Services
 - Assessed a client's sustainability needs
 - Completed a comparative analysis of potential TCS solutions
 - Developed a fitment matrix to present proposed solutions to address the client's needs
